

CREATIVE REVIEW: SCOTT AND BAILEY

CLIENT:

Red Production Company

HOW IT WAS DONE:

We managed the end-to-end post production for the award winning eight-part series Scott and Bailey starring Suranne Jones and Lesley Sharp. The fourth series continues to concentrate on the lives of two Detective Constables, played by Jones and Sharp, working for Manchester Metropolitan Police. Jamie Parry worked on the grade using Baselight while Patrick Morris did the audio mix using Pro Tools. All edits were done on Avid.

EQUIPMENT USED:
