
COVID-19 Building Policy

Update May 2022

Dock10 Ltd is committed to ensuring the health and wellbeing of its staff, customers, visitors and contractors. It will risk assess all workplace activity to take account of respiratory disease in line with HSE guidelines.

- Face coverings are no longer mandatory when moving around the building
- A risk assessment may indicate that some tasks may require the use of face coverings
- Social distancing is optional but please respect others if they wish to maintain social distancing
- Temperature checking is no longer required when entering the building
- Custom made shields remain in the production galleries, MCR and receptions
- Two-metre distance markers have been removed
- The one-way system has been removed
- Extra cleaning will continue
- Hand sanitiser stations will remain around the building
- Risk assessments to be carried out for people we know are vulnerable
- The ventilation system will be maintained to comply with the CIBSE guidance
- dock10 will review the policy every 3 months
- All policy updates will continue to be published on the dock10 website
